

iBuild APP製作 三小時製作行動裝置 APP

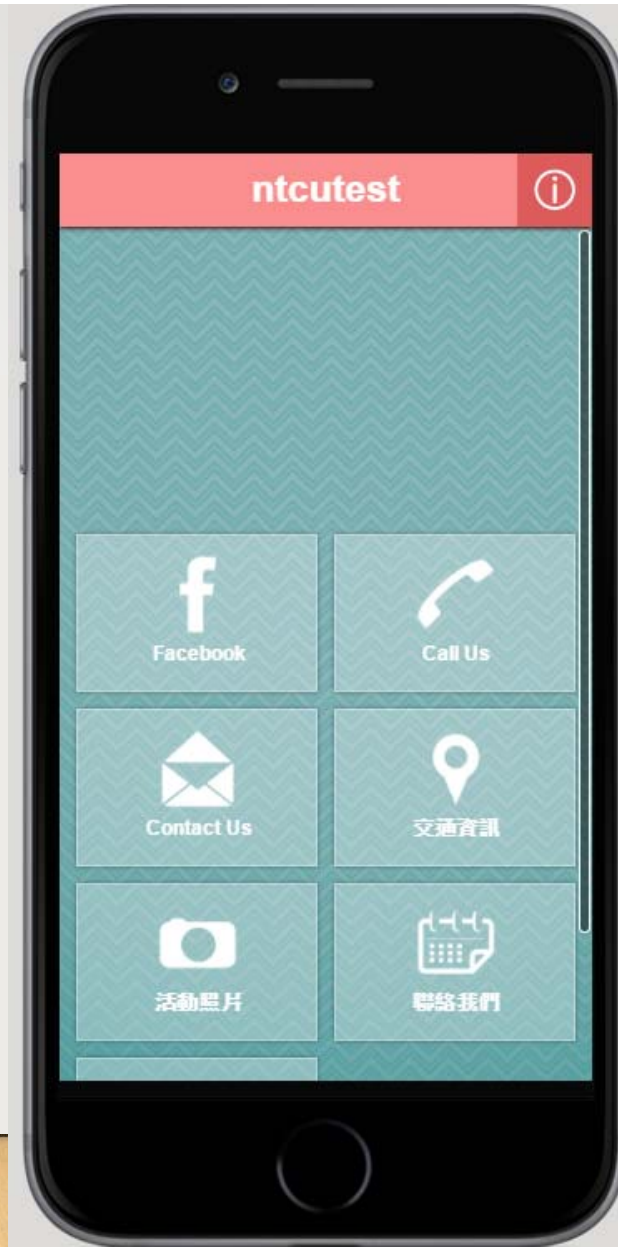

國立臺中教育大學 數位內容科技學系

吳智鴻 教授

[EMAIL: CHWU@MAIL.NTCU.EDU.TW](mailto:CHWU@MAIL.NTCU.EDU.TW)

WEBSITE: [HTTP://CHWU.WEEBLY.COM](http://CHWU.WEEBLY.COM)

2018/03/14

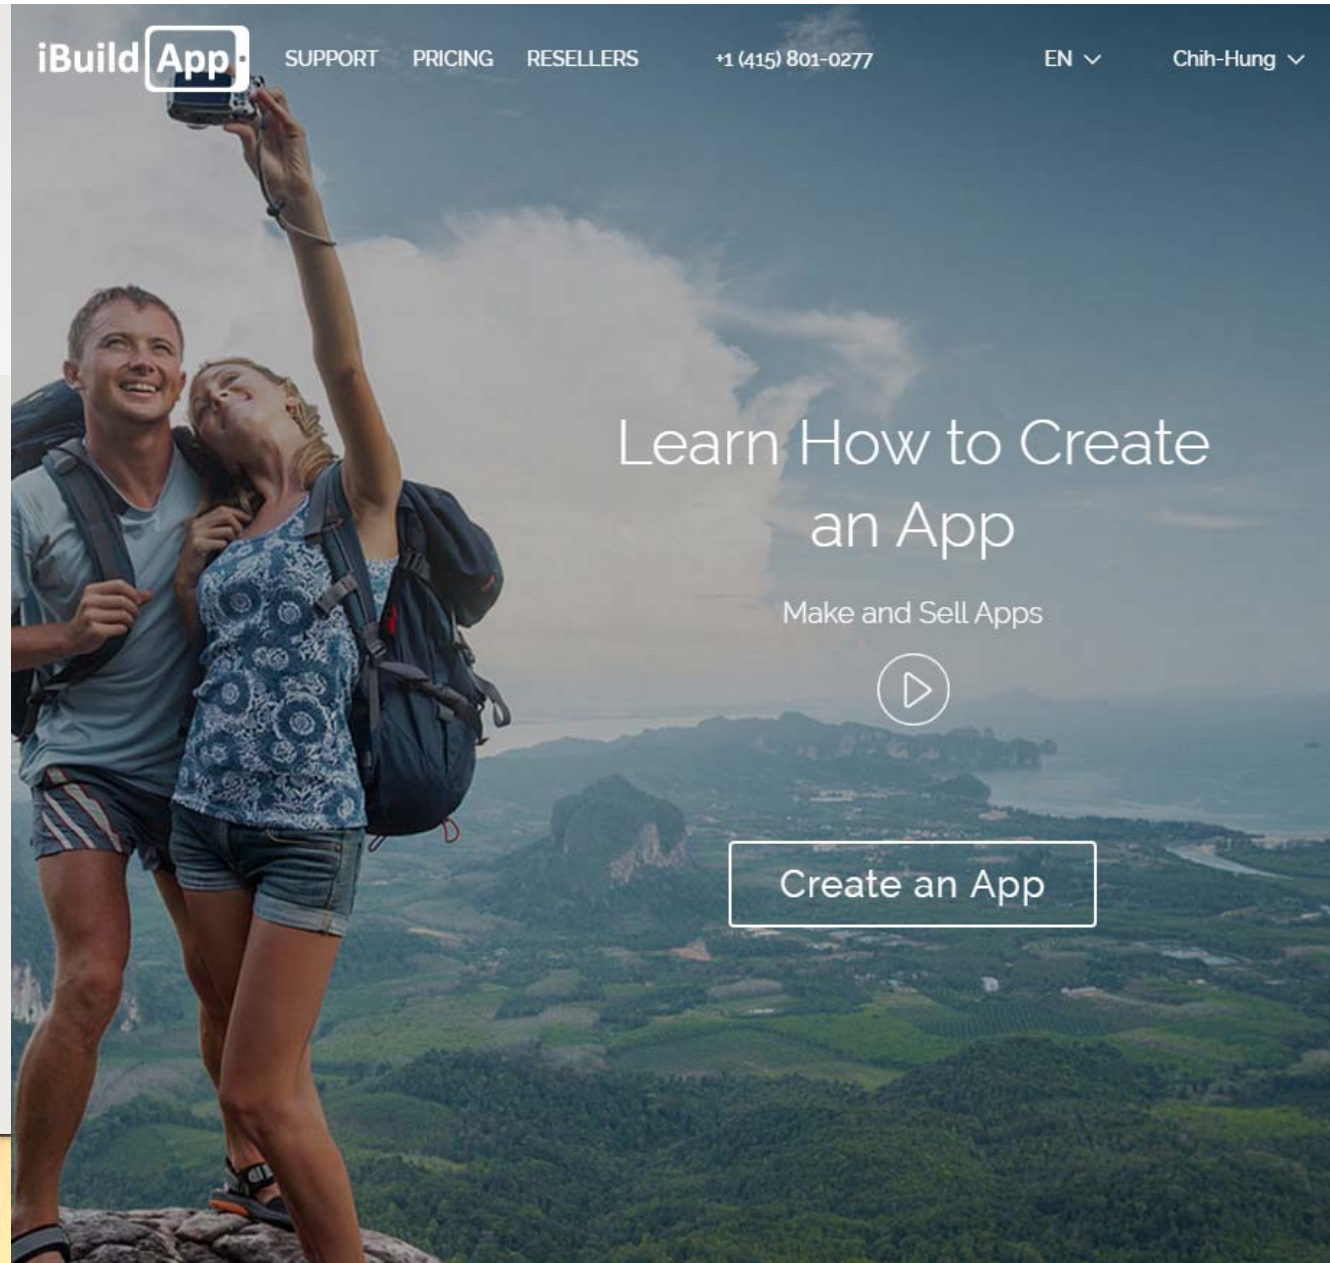

iBuild的優點

- 優點
 - 快速製作APP，不需要寫程式
 - 可連結FB粉絲專頁，即時更新動態資訊
 - 具有購物車電子商務功能
 - 具有跨平台iOS, Android
 - 具有許多擴充模組，可以增加功能
 - 能在手機上預覽APP成果
- 目前已經改成全部需要付費，免費試用15天

重要網址

- 入口網站
 - <http://ibuildapp.com/>
- 要先有FB粉絲專頁，以便有內容的來源

The image shows a banner for the iBuild App website. The background is a photograph of a man and a woman hiking on a mountain peak, with the woman taking a selfie. The website's navigation bar is at the top, featuring the iBuild App logo, links for SUPPORT, PRICING, and RESELLERS, a phone number +1 (415) 801-0277, and language/location options EN and Chih-Hung. The main text on the banner reads "Learn How to Create an App" and "Make and Sell Apps", accompanied by a play button icon. A "Create an App" button is located at the bottom right of the banner.

Calendar

建立數位系專用行事曆

- 嵌入Google 行事曆於APP

The screenshot displays the iBuildApp editor interface. At the top, there's a navigation bar with 'iBuildApp', contact information, and a 'Publish to App Store' button. Below this, a dark banner indicates '14 day left of your trial' with a 'Select a plan' button. The main editor area has tabs for 'Edit Pages', 'Layout', 'Design', and 'Backup', along with an 'Add New Page' button. A horizontal menu bar contains icons for 'News', 'Menu', 'Google Cal.', 'eCommerce', 'Custom For...', 'Facebook', and 'Photos & L.'. The 'Calendar' page is selected, showing a 'Page Name' field and 'Replace feature'/'Delete feature' options. A text area contains the Google Calendar embed code:

```
<iframe src="https://calendar.google.com/calendar/embed?height=600&amp;wkst=1&amp;bgcolor=%23FFFFFF&amp;src=mail.ntcu.edu.tw_50r8m9l8i02nb6daadvr69m82s%40group.calendar.google.com&amp;color=%2342104A&amp;ctz=Asia%2FTaipei" style="border-width:0" width="300" height="400"></iframe>
```

 Below the code, there's a 'Choose your source:' section with various social and service icons like OneDrive, Google Drive, Slack, etc. On the right, a mobile app preview shows a 'Calendar' screen with a monthly view for March 2017, highlighting the 14th as '白色情人节' (White Valentine's Day). The preview also shows the time '3:00 PM' and the location '活動顯示的時區: 台北'.

Layout 版面與功能編排

The screenshot displays the NTCU DCT app editor interface. At the top, there is a navigation bar with the NTCU DCT logo, a 'Publish to App Store' button, and a trial notice: '14 day left of your trial' with a 'Select a plan' button. Below the navigation bar, there are tabs for 'Edit Pages 10', 'Layout', and 'Design'. A 'Test My App' button is located in the top right corner.

The main content area is a list of features categorized into sections:

- Login Screen** (OFF)
- Sidebar Features** (Add Feature)
- Body Features** (Add Feature)
 - News / 最新消息
 - Menu / 系上設備
 - Google Calendar / Calen...
 - eCommerce Store - Woo...
 - Custom Form / Absence
- Footer Features** (Add Feature)
 - Facebook / Facebook
 - Photos & Instagram / P...
 - Website / 數位系系網
 - Google Map / Location
 - Contacts / Contact Us

On the right side, there is a mobile preview window showing the app's interface on a smartphone. The preview displays the title 'Elementary School' and a list of features: 'Devices', 'Calendar', 'Teachers', and 'Absence'. The background of the preview shows a child standing in front of a chalkboard. At the bottom of the preview, there is a navigation bar with icons for Facebook, Photos, DCT, Location, and a home button.

At the bottom of the editor interface, there is a 'Publish to App Store' button.

Design 設計

- 可更改背景
